Elks Improve Standing With Wins Over Miners

Vulcan Elks, displaying a good brand of baseball and picking up five wins in their last six games, have practically assured themselves a play-off berth in the Foothills-Wheatbelt League and currently hold down third place in league standings with a record of 14 wins and 10 losses.

Their latest victories, at Vulcan on Sunday, came at the expense of the Lethbridge Miners in two closely contested games that saw Elks play errorless ball to win the first game 3-2 and fight from behind in the second game, with two out in the ninth inning, to grab the victory.

Errors proved costly to the Miners in both games. Miners were leading 1-0 going into the bottom of the sixth inning in the opener when an error by third baseman Vic Stasiuk put Elk batter Don Jantzie on base with one out. Before Miner pitcher Bill Kucheran, who went all the way, could put out the fire, Vulcan had bunched four hits to plate three runs, enough to win.

Lethbridge tried hard to come back in the bottom of the ninth. After pinch hitter Al Warnick had been called out after bunting foul on a third strike, Jocko Tarnava worked winning pitcher Doug Marquardt for a base on balls. John Klem singled to left field and that was all for Marquardt, as playing-manager Marty Norman of Vulcan sent in Chuck Dailey.

Daily got Clarence Yanosik to send a sacrifice fly to centre field after he had uncorked a wild pitch. Mitch Sztaba grounded out to shortstop Art Alvarez to end the inning, the threat and the game.

Kucheran pitched fine baseball, with the exception of the one bad inning. He allowed six hits over the route, two in the first inning and the other four in the sixth. He struck out four and walked as many. Winning pitcher Marquardt allowed eight hits, walked eight and struck out seven.

Lethbridge committed two errors while Vulcan played errorless baseball.

Losing pitcher in the second contest was Warnick, but the little lefty deserved a better fate. Entering the game with only one day of rest since he had taken two decisions Friday night in Medicine Hat, the workhorse of the Miners managed to keep the Elks at bay and off the scoresheet for eight and two-third innings. Up until that time a 1-0 lead by Miners, gained when Sztaba singled home Klem in the first inning, had stood up.

But that was the end. After striking out the first two Elks to face him in the ninth, Warnick gave up a hit to catcher Fred Burley on a ball that took a bad hop in front of secondsacker Don Ferenz. Ferenz was guilty of an error immediately afterward as Ben Dann, ninth hitter in the Vulcan order, laced a hard grounder that the youngster couldn't handle.

Ron Loughlin, bespeckled second baseman of the Elks then lined a single to right that got by Yanosik. Both baserunners scored and the ball game was over.

Again the Miners outhit the opposition as Dailey gave up eight hits while Warnick was touched for seven. Miners committed three errors, Vulcan two.

Warnick struck out six as he worked his 22nd inning in three days while allowing just three walks. Dailey struck out five and walked five.

Meadows-Randle Rites at High River

The High River United Church, decorated with blue delphinium, white gladioli and fern, was the scene of a lovely mid-afternoon wedding on July 19, when Miss Paula Doreen, youngest daughter of Mr. and Mrs. Paul Randle became the bride of George Lawrence Meadows, son of Mr. and Mrs. Harry Meadows of Blackie. Rev. N. Knight of Blackie and Rev. M. Erickson of Hendricks, Minn., uncle of the bride, officiated at the double-ringed ceremony.

The bride, given in marriage by her father, wore a princess line portrait gown of chantilly lace over satin with boufant skirt and featuring a matching lace jacket encrusted with seed pearls and rhinestones and was finished with lily-point sleeves. Her fingertip veil which was held in place by a small tiera was embroidered with seed pearls and sequins. She carried an ivory Bible adorned with a gardenia and cascade of white rose buds.

In attendance was her sister-in-law, Mrs David Randle, as matron of honor, who wore a cocktail length gown of yellow nylon lace and tulle with matching headdress and carrying a cascade of yellow rose buds.

The bridesmaids, Misses Lorena and Lavonne Norton, nieces of the bride were wearing aqua and lime cocktail length gowns of nylon tulle over taffeta with matching headdresses, respectively, and carried satin parasols filled with spring flowers. The flower girl, Miss Millicent Johnson, cousin of the bride, wore a dainty dress of white nylon over blue taffeta and carried a basket of flower petals which she scattered.

Ray Whittle of Cochrane was best man and the ushers were George Randle and Roy Meadows. Before the ceremony, Gerald Randle sang, "Wedding Prayer" and during the signing of the register, a quartet of Earl and Roy Meadows, Gerald and David Randle sang, "O Perfect Love." The wedding music was played by Mrs. Loraine Mooro.

Following the ceremony, a reception was held in the Memorial Centre for 125 guests. The bride's mother wore a gown of rose lace with matching picture hat and the bridegroom's mother wore a gown of navy, a white foille with matching white picture hat.

Pink and white poppies decorated the reception room, while the bride's table was centred with a three-tiered wedding cake, flanked by pink tapers. Emmanuel Randle acted as master of ceremonies calling Rev. N. Knight to propose the toast to the bride.

Mrs. Arthur Dawes of Midnapore and the men's quartet sang two appropriate numbers.

For travelling the bride changed to a pale blue suit. A flowered picture hat of natural straw with matching accessories, completed her ensemble. Following the wedding trip to the mountains and points west.

Mr. and Mrs. Meadows will make their home in High River.

Out-of-town guests were from Hayward, Calif.; Cottenwood and Hendricks, Minn.; Chinook, Rocky Mtn. House, Arrowwood, Lyalta and Calgary.

Stolen Car Is Quickly Recovered

Six Calgary youths who stole a Vulcan car last week didn't have much time to enjoy the use of the vehicle.

The car, a 1952 Monarch sedan, was stolen at Vulcan on July 24, and two days later, on July 26, the car was spotted and the six Calgary youths in it were arrested by the RCMP at Fernie, B.C. On July 27, Const. Robert Knox of the Vulcan detachment, R.C.M.P. and Const. J. L. Moyer went to Fernie by police car, accompanied by Norman Pettie of Wheat Centre Motors and brought the youths and the car back to Vulcan.

The Calgary youths were Harold Wilson, 16; Frank Wilson 16; Alex Szonyl, 19; Mike Jazsa, 18; Mike Madryga, 17 and Keve Simon, 16. They were tried before Magistrate H. E. Smith of Champion for theft of the automobile and each sentenced to nine months with the recommendation that the sentences be served in the Bowden Institution.

CASSIE GRAHAM

CAROLYN HAYES

Two Girl Guides of this district leave on Aug. 4, to attend the Centenary World Camp at Doe Lake, Ont. They are Cassie Graham of Vulcan, daughter of Mr. and Mrs. Russell Graham, and Carolyn Hayes of Arrowwood, daughter of Mr. and Mrs. Stewart Hayes. Among other qualifications, the girls were required to have attended a Guide Camp for at least three weeks.

The camp at Doe Lake will be the largest Girl Guide camp ever held in Canada and some 2,000 girls and their leaders from all over the world will spend from Aug. 8 to 19, camping near the famous Algonquin Park.

Financial Aid For University Students

New regulations to extend financial aid to deserving students enrolling at the University of Alberta are announced by officials of the Department of Education. Under the Students Assistance Act, loans and grants will now be applicable toward the two-year diploma courses in physiotherapy and occupational therapy. Such aid was formerly restricted to degree courses, excluding theology.

For high school graduates, minimum academic requirements are reduced by five percent for the purpose of grants, from 75 percent to 70 percent average. No charges were made for qualifications of University undergraduate students.

Grants not exceeding $300 in any university year or $1,000 during the complete course are eligible. Loans not exceeding $400 in any university year or $1,200 during the complete course are also available. A student may receive both grant and loan assistance if his academic standing is sufficiently high and financial need is indicated. Grants are available to student nurses in financial need to the extent of $200 per student not exceeding $100 in any one year.

During the fiscal year 1956-57, 125 grants totalling $24,845, and 233 loans totalling $61,470 were awarded. In addition, 38 grants totalling $2,850 were made to nurses-in-training.

In releasing details of financial help available, department of Education officials said that since inception of the Students Assistance Act in April of 1953, a total of 899 loans for a value of $215,491 have been authorized. Repayment record of students is regarded as satisfactory totalling $43,000 to date. Repayment does not commence until one year after graduation.

All forms of financial assistance are limited to bonafide Alberta residents.

Carmangay Graduates

THE CARMANGAY HIGH SCHOOL GRADUATES were honored recently at a banquet and program followed by a dance in the school auditorium. The Chords were in attendance for the dance. The valedictorian was Douglas Cook, and Lee Roy West thanked the Home and School Association for the class pins which were presented to the graduates. Pictured above are: seated, Delores Ruggles; standing, left to right, Douglas Cook, Lee Roy West and Bill Yanosik.

Crops Show Need of Rain

Although somewhat cooler weather has prevailed this week, very little rain has been reported throughout the district. A fairly heavy shower brought some moisture to the Carseland district, but it was accompanied by hail and some damage is reported.

Crops show some deterioration as a result of the dry spring and summer and unless rain comes quickly to aid in filling, yields will be down. This situation is fairly general throughout the prairie provinces.

Swathing of winter wheat and rye has started in some parts of the county. Haying will soon be completed and the crop is reported to be light.

Harvest All The Hay Possible

Lack of moisture this year has resulted in a short hay crop which may possibly lead to a fodder shortage before the coming spring. Increased cattle numbers add to the grievousness of the situation. The Deputy Minister of Agriculture, R. M. Putman, urges the cutting of hay in sloughs, on roads, and in and out of the way places in addition to putting up the regular hay crop. Every farmer should take particular care to see that he has sufficient hay to meet his own demands, he adds, as extra supplies will be hard to obtain. As a last resort straw can be baled and stored to meet any pre spring emergencies.

The Supervisor of Crop Improvement Services, R. L. Pharis, says it may be wise to harvest some of the acreage planted to cereal grains as green feed rather than as grain. He goes on to say that if a good quality second crop of hay is obtained, it can be fed with coarse quality roughage and grain to give livestock a more balanced ration throughout the winter.

Bridal Shower For Miss Ellen Loose

Mauve and white flowers formed an attractive background when a bridal shower for Miss Ellen Loose was held in Monday evening in the United Church. An entertaining program under the direction of Mrs. Clay Snow, was highlighted by a musical biography of Ellen's life, as presented by Mrs. C. Andrews and Mrs. Snow, and a unique showing of wedding fashions by Mrs. S. Scales and Mrs. Merle Smith.

The bride-to-be, seated beneath a miniature parachute, received her gifts in a gaily decorated aeroplane. Presentation was made by Mrs. Frieda McRoberts, on behalf of the sixty ladies present.

Assisting Ellen in opening her gifts were her mother, Mrs. C. W. Loose; her aunt, Mrs. Otto Loose, and her sister-in-law, Mrs. Bob Loose. Mrs. Beverly Loose was in charge of the guest book.

Ellen expressed her thanks to her guests and hostesses and extended a cordial invitation to her friends to visit her in eastern Canada.

A delicious lunch brought a most enjoyable evening to a close.

Where Does Your Donation Go?

The next time somebody asks you for money to help the blind, find out who they are and where the money is really going". This action was urged by the Alberta Division of the Canadian Council of the Blind — a national wide association of clubs of the blind — at a special meeting held in Edmonton recently to consider reports of fund raising activities throughout Alberta, alleged to be in aid of the blind. "Unless the money is going to the Canadian National Institute for the Blind, our national service agency for the blind in Canada, the public should think twice about donating", Allan DeCoursey, Chairman of the Alberta Division, told the meeting. He went on to point out that in Community Chest centres in Alberta, the C.N.I.B. makes no independent public appeal — it gets its money from these community funds. In centres with no Community Chest, the C.N.I.B. campaigns only in the fall of each year. All canvassers are local volunteers and always identify themselves clearly with the C.N.I.B.

Blind delegates present at the meeting and representing the organized blind in Alberta, passed resolutions expressing strong opposition to independent appeals in aid of the blind and to unnecessary duplication of services already being provided by the C.N.I.B. "The public should be made aware that our Council does not endorse the collections now being made in the name of the blind and that these funds do not go to the C.N.I.B.", declared W. H. Phillips of Calgary, vice-chairman. The Council obtains its own funds through budget arrangements with the C.N.I.B. and refrains from independent fund raising in order to avoid confusion and duplication.

Numbering and Oiling Streets Big Improvement

Vulcan has discarded its hard-to-remember names of streets and avenues and replaced them with numbers. The old system of streets bearing such names as Mars and Apollo and avenues called Pacific, Atlantic, Railway, etc., served no good purpose and was worse than useless when it came to giving directions to a stranger.

Now, neatly painted directions on power or telephone poles at each intersection plainly designate the street and avenue.

The system is simple. What was formerly called Vulcan or Main street is now Centre Street. Streets to the south-east of Centre Street are numbered 1st St. South, 2nd St. South, 3rd St. South, etc. Streets to the north-west of Centre Street are numbered 1st St. North, 2nd St. North, etc. What was formerly Railway Avenue (past the CPR depot and the grain elevators, is now 1st Avenue and the avenues are progressively numbered, 2nd, 3rd, 4th avenues, etc., to the western limits of the town.

As examples, the Revelstoke lumber yard is on 1st St. N. at 1st Ave., the Beaver Lumber yard is on 1st St. N., at 2nd Ave. The Liquor Vendor Store is on 1st St. S. between 1st Ave., and 2nd Ave.

Another major improvement has been the oiling of the town streets, with the result being a considerable lessening of the dust nuisance, particularly down town. Although fairly light oil was applied to the residential streets, the four main downtown blocks were levelled, heavy asphalt type oil applied, then a coat of sand and then rolled. The value of this treatment was proved during the windy days of last week and shoppers and businessmen alike are pleased with the result.

DeWitt - Oldfield Wedding Rites

Rev. J. S. Clarke officiated at the recent marriage of Winifred Anne, daughter of Mrs. Lynn Oldfield of Vulcan and of the late Mr. Oldfield, to Robert Russell DeWitt, eldest son of Mr. and Mrs. J. M. DeWitt of Arrowwood.

The Vulcan United Church was decorated with baskets of yellow spray 'mums and delphinium and white tapers.

The bride, who was given in marriage by Wilson Oldfield of Vulcan, wore a floor-length gown of pure silk organza with accents of chantilly lace, frosted with irredescent sequins and pearls. Her finger-tip veil fell from a sequin trimmed coronet and she carried a cascade bouquet of Talisman roses. The bride wore a silver hierloem bracelet worn by her great grandmother at her wedding.

Mrs. Louis Bertoia of High River attended the bride as matron of honor and Miss Sandra Oldfield was junior bridesmaid. They were gowned alike in floor-length dresses of pale yellow crystalline with matching bandeaux and carried bouquets of white shasta daisies.

Norman DeWitt of Edmonton, was best man and the guests were ushered by Harold DeWitt of Calgary and Stuart Campbell of Vulcan.

Miss Gloria Frazer of Calgary sang "The Wedding Prayer", prior to the ceremony and "Because," during the signing of the register. Mrs. J. S. Clark played the wedding music.

The reception was held in the church parlors, where the bride's table was centered by a three-tiered wedding cake, flanked by pale yellow tapers. The toast to the bride was proposed by D. A. Mauser, of Claresholm, to which the groom responded.

The couple left later on a trip which will take them to Yellowstone and other U.S. points. For travelling, the bride wore a white and navy polka-dot silk dress, topped by a navy bingoline duster. Her accessories were navy and white and she wore a corsage of red carnations.

Upon their return, Mr. and Mrs. DeWitt will reside in Arrowwood.

Out-of-town guests were from Revelstoke, Field, Edmotnon, Calgary, Claresholm, Lethbridge, High River and Milo.

Little League Alberta Playoffs On August 5

The Wheatbelt Little League All Stars meet the Taber Kiwanis Little Leaguers in a sudden death playoff for the Alberta Little League championship at Carmangay on Monday, Aug. 5, at 5:00 p.m. and the winner will advance to the B.C.-Alberta playoffs at Trail, B.C., on Aug. 9.

The winner of this playoff then advances to the Northwest U.S. playoffs at Port Orherd, Washington. Representing the Wheatbelt League will be a strong team composed of the top players of each club from Brant, Vulcan, Champion, Carmangay and Barons, and the boys could go a long way in the North American Playoffs.

Gate receipts of this game go towards defraying further playoff expenses of the winning team.

Lucky Winners In Golf Club Draws

Various draws have been conducted by the Vulcan Ladies' Golf Club in the past two or three months to raise funds for furnishing the new club house. Prizes and winners are as follows:

Jacket, Jerry LaRoche; Junior Mixer, Mrs. Edo Andrews; Camera, Merle Smith; Electric Iron, June Joiner; Camera, Lundy Findlay; Groceries at Red & White, Mae Spaeth; Groceries at Simon's, Emil Olsen; Groceries at Jenkins, Bob White; Legion Card, $5.00 each won by Donald Mitchell, Olga Miler and G. Decker of Champion; Golf Clubs and Bag, won by Bob Willard.

Furnishings for the new club house are expected to be installed within the next week or two.

Hansell To Give Up Leadership Of S.C. Association

E. G. HANSELL, M.P.

In order that more time and attention can be given directly to the Federal constituency of Macleod, E. G. Hansell, M.P., has given up the presidency of the Social Credit Association of Canada. Much of his time has been spent in conference work throughout Canada in the interests of the Social Credit party. He feels that the problems facing the people at the present time will demand his full attention.

Mr. Hansell is already preparing for the forthcoming session which will find a new government in office. Resolutions for the order paper affecting farmers and coal miners have recently been forwarded for parliamentary discussion.

Mr. Hansell's resignation was presented to the party last fall when a spring election was assured and a Social Credit campaign committee set up, but the resignation was held in abeyance until after the election. The party council met in Calgary last week when plans were laid to fill the vacancy with a full time national council chairman. In the meantime the leader, Mr. Low, will assume the responsibility.

MAJORVILLE NEWS

Grampa decided to take his small grandson fishing, so Ricky's dad fixed him a rod and reel. Handing it to the small fisherman daddy said, "There you are, when you get to the dam throw it into the water and catch a big one, O.K." and away went the fishermen. Arriving at the water Ricky scrambled out of the car and heading straight for the water he tossed rod, reel and the whole fishing caboodle into the dam with a pleased expression on his face he said to grampa, now I'm gonna catch a big fish. However the fish were not biting that evening, so neither grampa nor Ricky caught even a small one.

Mr. and Mrs. Ernie Heather were down from Calgary at the weekend visiting with relatives and friends in the district.

En route home to Regina from a business trip to B.C., Mr. and Mrs. Jack Heather spent the weekend with Jack's parents, Mr. and Mrs. G. Heather. They were also in Edmonton and while there were overnight guests of Jack's aunt, Mrs. H. Orsten.

Fay Bartsch is in Calgary visiting her aunt, Mrs. Allen Fule.

Mr. and Mrs. Bennett Dew were recent visitors at the home of the latter's mother at New Westminster, B.C.

Will Francis was a patient in Vulcan hospital for two days during the week.

Measles are prevalent in the community athough no real sick cases have been reported.

While Mr. and Mrs. Neil MacLeod were in California it was reported they had been involved in an accident and that Mrs. MacLeod was injured. Neil was in the accident and received a cut to his head but Mrs. MacLeod had stayed home that evening. The accident involved Jack MacLeod's car and Mrs. Jack MacLeod received some broken ribs. Jack's car was also badly damaged.

Leonard Robertson of Mossleigh is staying with his grandparents, Mr. and Mrs. Fred Bertschy.

45th Wedding Anniversary

Mr. and Mrs. Fred Bertschy were guests of honor on July 21, on the occasion of their 45th wedding anniversary when family, friends and relatives gathered at the Arrowwood Community Picnic grounds.

A turkey dinner with all the trimmings prepared by the family was served at noon from tables prettily decorated with gladioli, delphinium and other summer blooms, another table also decorated with summer flowers held the three-tiered wedding cake and various gifts. The cake was baked and decorated by (Louise) Mrs. Barr and (Irene) Mrs. Oberholtzer.

The family's gift to Mrs. Bertschy was a lovely Alaska diamond necklace and earring set and to Mr. Bertschy a maroon tie and tie pin also set with an Alaska diamond, Gilbert Vooys on behalf of friends presented them with a purse.

The couple were married in Calgary on July 21, 1912, in the Congregational Church by Rev. Schragg and contrasting the dinner of their wedding day with the one served on Sunday Mrs. Bertschy said that after the ceremony they left on the train for Banff and ate dinner on the diner. After the honeymoon in Banff they returned to their farm in Majorville where they have resided since.

The family of six daughters and two sons were all at the picnic with their families and are Mr. and Mrs. Ed. Robertson and family, Mr. and Mrs. Sonny Leslie and family, Mr. and Mrs. Tom Barr and family of Mossleigh; Mr. and Mrs. V. Culp and family, Mr. and Mrs. R. Oberholtzer and family of Arrowwood; Mr. and Mrs. Bill Armstrong and Fay of Spondin; Mr. and Mrs. Bob Bertschy of Mossleigh and Fred, Jr., who lives at home.

Always interested in community affairs, Fred served for twenty-five years on the Bassano hospital board. He also was a recipient of a jubilee scroll in 1955.

The afternoon was spent pitching horse-shoes, games for the children and just plain old-fashioned visiting. When it cooled off a ball game was organized by the grandchildren.

From the Majorville district those who went to Arrowwood for the picnic were Mr. and Mrs. Gilbert Vooys and family, Mr. and Mrs. Will Francis, Bill and Lee, Mr. and Mrs. M. Clemmons, Mrs. Frentice, Mrs. Hagg, Bob Prentice and Alex Hagg.

The weather-man co-operated with a beautiful day and a supper of ice cream, water-melon, pie cake and coffee brought a happy anniversary to a close. V. Culp, a son-in-law, said Grace.

Also among the guests were Mr. and Mrs. Talbot of Arrowwood, Mr. Talbot was a rider for the LK ranch some thirty years ago and was a frequent visitor at the Bertschy home at that time and relatives and friends from High River, Arrowwood and Mossleigh.

We add the congratulations and best wishes of the community to Mr. and Mrs. Bertschy on this happy occasion.

"Dad, did you pick up my dress?"

That young voice hits Dad where it hurts. He was so sure he'd remembered everything. And here is Amelia, with a heavy date, demanding her dress which he forgot to pick up at the cleaners. Why, grumbles Dad, don't women do their *own* shopping?

The answer is that farm women usually *do*. In fact, their shopping, in person and by mail, adds up to a lot of money. How much? Well, last year, farm families put about 2½ billion dollars into circulation. That's over twice the amount spent for all the new housing in Canada. About 1,000 million dollars went for household requirements—the things *you* buy regularly. And the rest of the money was spent for equipment, wages, feed, seed, fertilizers—everything that farmers need to produce food in abundance.

All this farm spending for consumer goods and services helps to keep a great many Canadians employed in a wide variety of businesses and is a powerful stimulant to progress and prosperity. This is made possible by good farm management, efficient practices which include the use of modern farm machinery.

Agricultural Service Board Notes

H. S. BURNS, Supervisor

- SOW THISTLES are standing head and shoulders above the crops at the present time and are easily recognized.
  Cut them down wherever you see them, these patches are usually small and that is a good time to stop them.
- This season is an opportunity to clean up waste places and dry sloughs, many farmers are doing this and improving their farms thereby.
- This fall may be a good time to get Reed Canary grass seeded into some of these areas as they are sometime too wet to seed in the spring.

GRASS SEED

Due to the amalgamation of the Alberta Seed Growers Co-op with the Alberta Wheat Pool, the Seed Stock at the County office has been taken in to Camrose. It is not known at this time what arrangements will be made for next season.

PETKUS RYE

Petkus, a large-seeded, high-yielding variety of fall rye, has been licensed for Canada. Petkus is of German origin and is widely grown in Western Europe at the present time. It was introduced into Canada from Denmark in 1946 by Chris Morck of Dickson, Alta. He increased it on his farm and has exhibited it at the Toronto Royal Winter Fair. It should not be confused with Tetra-Petkus which was given considerable publicity a few years ago, but which does not have sufficient winter-hardiness for production in Western Canada.

In tests at the Canada Department of Agriculture Experimental Farms at Lethbridge and Lacombe, Alta., during the past five years, the average yield of Petkus has exceeded that of Antelope and Dakold by over 20 percent. Petkus has large, plump, attractive kernels of a grey to blue-green color. It has string straw and is resistant to shattering. It is about one day later in maturity than Antelope.

Petkus is less winterhardy than Antelope and Dakold and, because of this, its production in most of Manitoba and Saskatchewan and in areas of Alberta where winters are severe probably will be somewhat hazardous. However, in western Alberta, particularly from Lacombe southward, farmers should find Petkus an attractive variety because of its higher yield which is more than sufficient to offset an occasional loss from winterkilling.

Snowy mountain ranges, rugged coastal inlets and quiet countryside happily combine in British Columbia.

WITHOUT WARNING

Many of the more serious diseases may attack without warning. The laymen may not be able to recognize symptoms if they do not involve pain, but the doctor can identify signs and by giving prompt treatment may cure or at least control the condition. Therefore, it is advisable to have regular medical checkups to ensure that no disease may become firmly established.

For there is one God and one mediator between God and men, the man Christ Jesus, who gave Himself a ransom for all.

—I Timothy 2:5

II Timothy 2:26 mentions "men taken captive by Satan at his will" or. We were kidnapped by the devil; the ransom price was paid by the Lord Jesus on Calvary.

Jesus paid it all;
All to Him we owe.
Sin had left a crimson stain
He washed it white as snow.

Friends of George Corner and of Mrs. D. B. Smith are sorry to hear that they are both patients in the Vulcan hospital.

ALL SMILES

It would seem that four out of five people who face cameras for the press consider it necessary to smile . . . Why they should do this is anybody's guess. There is nothing quite as pleasing as the smile that is in harmony with the facial expression as a whole; yet there is nothing quite as attractive to study as the serious face which reveals the true character.

Thank You Kindly!

To all our wonderful customers for the best holiday we ever had. Now I'm back in the saddle to help the boys give you the service you want.

Let me tell you why there are so many beautiful 1957 Dodges on the road.

You can drive all day and feel fresh and relaxed even over the worst roads.

Cornering in mountain driving can be done above speed limit with ease and practically no sway or dive, due to the torsion bar suspension.

We carried a tall cookie jar for the kids on the hump over the transmission and it never moved on the worst curves.

We came home all Canadian route via the Cascades in three afternoon drives, with the following load:

1—Car Top Carrier
1—9x9 Tent, complete
1—9x12 Tent, complete
3—Camp Cots
1—Air Mattress
8—Sleeping Bags
2—Camp Chairs
1—Camp Stove
2—Ground Sheets
1—1-gal. Thermos
7—Pillows, full size
Movie Camera
Kodak Camera
7—Heavy Jackets
5—Life Jackets
1—1-gal. Gas Can
1—Large Picnic Cooler
3—Suit Cases
4—16x16x12 boxes clothing
2—Large Grub Boxes with three days' food suppiy
1—1-gal. Cookie Jar
1—3-gal. Pail
1—Hatchet
1—Set Golf Clubs and Bag
1—1-gal. Water Jug
2—Blankets
Full Set Cooking Utensils and Dishes, etc.

Plus—Nine cases of fruit (180 lbs.) from Penticton home, which we picked ourselves and enjoyed doing it.

In spite of this load we only had a very few articles inside the car with myself, Bea and five kiddies.

FOR THE UTMOST IN PLEASURE—DRIVE A 1957 DODGE.

LETTER TO THE EDITOR

10 Hampton Court Ave.,
East Molesey,
Surrey, England.

The Editor,
Vulcan Advocate

Dear Sir:

May I be permitted one more letter addressed chiefly to Mr. Hall?

I have seen, Mr. Hall, many changes in your country during my 17 years residence and, believe me, they are not pretty.

I am willing to wager you will be quite shattered immediately you come ashore. The filth of the train in which you will take your first journey will be appaling. You will be lucky if, in taking a meal in an ordinary restaurant, it is served on a spotless plate. Propably the cleanliness of the tablecloth will leave much to be desired and the cup from which you will drink your coffee or tea may well be chipped. As for ice water, there is no such thing in any restaurant here.

Should you "Batch it" in a flat (apartment) and shop for fish or meat, you will find these commodities offered to you, in the case of fish, in windows wide open to the street and literally swarming with blue flies and wasps; the meat is displayed inside the butchers' shops but since the doors are open the flies are still ever present.

You will often meet with sheer, downright rudeness in dealing with shop assistants.

Should you attend a party given by the "upper crust" of London society, you may well be expected to join in the friendly frivolities of throwing one another in the River Thames. Tiring of this pastime, you will then betake yourselves to a hotel, from a window of which you may perhaps join your fellow-revellers in pouring champagne on passers-by beneath. Or you may go "rocking and rolling" in Soho.

No, Mr. Hall, I do not envy you your Road Back and I think that my husband and I, in having, at last, some hope of leaving for Canada next year, are the fortunate ones.

Yours faithfully,
SANDRA COOK.
